¹ The HHS Appropriations Act for 1994 (P.L. 103-112) included \$1,475,000,000 in advanced funding for LIHEAP for FY 1995. The HHS Appropriations Act for FY 1995 (P.L. 103-333) rescinded \$155,796,000 of the advanced funding and \$1,521 in Training and Technical Assistance funds, leaving a total of \$1,319,202,479. Amounts above exclude \$14 million set aside for direct grants to Indian tribes and tribal organizations, American Samoa, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, Guam, Trust Territory of the Pacific Islands/Palau, and U.S. Virgin Islands. Amounts above exclude \$30 million for the LIHEAP leveraging incentive fund. This fund rewards grantees that add private or non-Federal public resources to provide home energy benefits to low-income households beyond what could be provided with Federal resources. Under the statute, grantees desiring leveraging incentive funds must submit a report to HHS each fiscal year that quantifies the amount of leveraging accomplished by the grantee to the prior fiscal year, less any costs incurred by the grantee to

leverage such resources and any costs imposed on federally eligible households. Leveraging incentive funds are awarded for activities that took place in the prior fiscal year (for example, leveraging activities that occurred in FY 1994 were the basis for making leveraging incentive grant awards in FY 1995). FY 1991, was the first "base period" for the leveraging incentive funds that were made in FY 1992. HHS made leveraging incentive fund awards in FY 1995 to 44 States and 25 Indian tribes/tribal organizations.

² In accordance with section 2602(e) of the statute and P.L. 103-333, the FY 1995 HHS appropriations law, the President released \$100 million from the LIHEAP emergency contingency funds. These funds were distributed to 19 States and 17 Indian tribes/tribal organizations to alleviate emergency needs due to the extremely hot summer of 1995. Amounts above exclude \$294,736 set aside for direct grants to Indian tribes/tribal organizations.
